

CITY EMPLOYEES SUPPORT UNITED WAY

The City of Newark kicked off an energetic 2009 United Way campaign. Our contribution totals \$10,483.41. This year the City launched two new events, the Chili Cook-Off and Holiday Basket Raffle. Both were very successful and will be back in 2010. The City also partnered with Buckeye Interiors and the Licking County Settlers on a cook off.

In a time when everyone is tightening their budgets, the true spirit of giving still exists. Mayor Bob Diebold applauds all City employees who generously supported the United Way of Licking County.
