

Children's Letters to Santa

The Newark Parks & Recreation Department is pleased to announce that we are once again partnering with Santa Claus to insure that Christmas letters written by children will be forwarded to him at his toy shop at the North Pole. All letters mailed to our office will be sent to Santa in time for him to respond with a personalized letter to each child. (Letters must include a return address to ensure a reply from Santa).

We encourage parents to assist their children with their letters, in order to help give Santa a better perspective of what the children may expect to receive from him as he delivers presents on Christmas Eve.

Christmas is a magical time of the year for children of all ages, and each year, our department looks forward to working with Santa to ensure that each child that sends him a letter will receive one from him in return.

The deadline for letters to be received by our office is December 16th, to allow Santa Claus enough time to reply to all of the letters prior to Christmas.

Letters may be mailed to: Santa Claus c/o Newark Parks Department
275 N. Cedar Street
Newark, Ohio 43055
